Corin Rogers, the student liaison for the project said, "It was a really fun selection process. We had so many submissions with a wide range of genres and sub-genres. Overall, it was our goal to have musical variety on the album, in order to capture a sound that best represents the Athens music scene right now."

Russ Hallauer at Ghostmeat Records produced the set, as he has for the last 19 years. The CD set, which is sponsored by *Flagpole Magazine*, Chase Park Transduction, and Oasis Disc, will be available at a CD release party at the 40 Watt on Thursday, May 5th at 8pm. The release event will feature performances by Compilation CD artists Walden, Dream Culture, and The Orange Constant. The CD set is \$15 and will be available at AthFest.com, Ghostmeat.com, select record stores, at AthFest merch booths and globally via iTunes and other digital music stores.
